

American Lincoln Parts

American Lincoln Parts - Presently associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. Within the business they are recognized in the industry as providing strong and durable machines that satisfies all the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery-operated walk behind version of floor scrubber with the Clarke Company who is presently also owned by Nilfisk Advance. Their production operations are primarily based in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln has the ability to provide parts, warranty service and machinery for these scrubbers that have both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility supervisors where results and efficiency make a difference. Lately, this particular floor scrubber model has been utilized by the architects in different construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on location due to the model's high standard of quality and supreme performance level for polishing concrete.
